As the stars come out, cuddly critters settle in for bedtime with well-loved blankies and cozy pillows, bidding each other goodnight—or *shubh raatri* in India, *god natt* in Norway, and *usiku mwema* in Tanzania. This book would be an engaging addition to any library on its own or as a companion to *Hello, World*. Its convenient respellings guarantee that even emergent readers will get the pronunciations right as they explore the languages, countries, and animals of the world.
