A young wolf wakes up on the wrong side of the bed in this story for anyone who has ever had a bad day. A bad night's sleep is just the beginning of Gory Rory Fangface's troubles—his family is also out of cereal, he forgot his homework, and the internet is out. Rory's mother offers a comforting kiss, but he refuses; shortly before bedtime, he relents—and finds that a little love can turn even the worst days around.
