A mother reassures her child of the depths of her love in this stunning picture book that will fast become a bedtime ritual. “I love you like the mighty eagle loves to soar” and “like wolf cubs love to laze” are among the nature comparisons, illustrated with brilliant colors and dynamic textures that capture an orange sun setting over the savanna, a waterfall cascading through a jungle, and the star-splattered reaches of space before returning to the child’s bedroom for a kiss goodnight.
