An adventurous, fun-loving bunny skips rocks, explores by the river, and turns cartwheels through the forest, happy to be away from her bossy older brother, in Ulf Nilsson's *Little Sister Rabbit Gets Lost*, a Swedish classic reminiscent of the world of Beatrix Potter. Sepia tones with softly muted hues from Eva Eriksson create an old-fashioned playfulness when Little Sister's wandering takes her away from the burrow until she's maybe wishing Big Brother was with her after all.
