In this allegorical tale, a girl finds a seed and decides to replenish the local earth. She is patient, caring for and nurturing the seed; when it grows and produces fruit, her neighbors pitch in. The once arid soil around them blooms at an exponential rate, and generations of flourishing follow. The hopeful, rhyming text pairs with Anna Cunha's dreamy, award-nominated art to inspiring effect.

MICHELLE ANNE SCHINGLER (September / October 2022)
