

## Patterns, Patterns Everywhere

**Kellie Menendez**

The Collective Book Studio (Jun 25, 2024)

Hardcover \$19.95 (40pp)

978-1-68555-660-0

A new perspective is just one delight to be gained from this stunning picture book about the patterns—accidental and otherwise—that can be found all around us. Colorful watercolor illustrations include everything from Gustav Klimt paintings to constellations to coral reefs. A checkerboard tablecloth laid with striped napkins and bees humming around a textured log are just two of the examples in the delicate, detailed illustrations, and children are encouraged to go out and find their own examples too.

DANIELLE BALLANTYNE (May / June 2024)
