978-800007075-9

A brother and sister let their imaginations run wild as they embrace the first snowfall in this cozy picture book. The magic touch of the first snow transforms a greenhouse into an ice castle and a snow sculpture into a friendly polar bear for Stefan and Agnes as they explore their frosted village. The illustrations use pastel tones and soft textures to convey the muted feeling of a snowy day, while the warmth of familial love and care comes through bold and bright.

DANIELLE BALLANTYNE (September / October 2024)
