Workman Publishing (Sep 15, 2020)

Softcover \$14.95 (176pp)

978-1-5235-0811-2

Learn the logic behind strange creature names through this collection of humorous, clever, and often downright absurd monikers from the animal kingdom. Interactive notes, glossaries, and activities make this a fun choice for supplementing science lessons at home or at school, while the book's detailed artwork and colorful photographs are accompanied by facts and explanations for an engaging glimpse of the headless chicken monster, sparklemuffin peacock spider, and, of course, the screaming hairy armadillo.

PALLAS GATES MCCORQUODALE (July / August 2020)
