Golden yellow and sherbet pink pair with calming greens in the mystical illustrations of this picture book that reminds us all to enjoy the journey. When Papa Jo tells Charlie that his hourglass reminds him to take his time, she doesn't understand; Charlie has always done things the fastest way. As they cook instead of going out to eat, walk through wildflowers instead of driving on roads, and eat homemade ice cream, she comes to appreciate the benefits of slowing down and being present.

DANIELLE BALLANTYNE (May / June 2024)
