Fostering love for the natural world, this picture book pairs lush illustrations with notes about the accessibility of interacting with the wild. You don't need magic to find treasures, it declares—just sturdy shoes and a spirit of adventure! Follow along as a diverse group of children ready their knapsacks with snacks, water, and the tools of the trail, heading off to wonder at tall trees, cheerful birdsong, changing skies, and alighting butterflies. Soon you'll be aching for outdoor adventures, too!
