Dreamy watercolors and charming animal characters make this primer on collective action accessible and engaging for children. A sheep searches for a way to share her dream of a better world with her friends even though she is unable to put it into words. Despite their differences, she realizes that the same dream already lives inside of everyone. If we have the courage to act on it, we can all make our shared dream for a better, kinder planet come true.

DANIELLE BALLANTYNE (July / August 2024)
