Mark Ruffle, Illustrator

What on Earth! (Apr 8, 2025)

Hardcover \$19.99 (48pp)

978-1-80466-146-8

Budding zoologists will delight in this picture book that delivers animal facts while describing what over 150 animals have in common with humans. With sections devoted to topics such as “We all have feelings,” “We all need sleep,” and “We all have a skeleton,” children will learn about both animals and themselves. Bright colors and various levels of complexity will engage a wide variety of readers, though younger readers will need a helping hand.

DANIELLE BALLANTYNE (March / April 2025)
