

## Who's Afraid of the Light?

**Anna McGregor**

Scribble (Aug 1, 2023)

Hardcover \$18.95 (32pp)

978-1-957363-43-1

An unnamed narrator has a cheery conversation in the darkest depths of the sea in this humorous tale that sheds some light on the midnight zone. The brightly colored text and a parade of curious creatures stand out against dark backdrops as readers are introduced to the mysterious Fergus, a deep-sea creature who's afraid of the light. The narrator provides primers on the creatures encountered, while a "Did you know?" section at the end expands on the science of the deep sea.
